

# COMPACT TRACK LOADERS

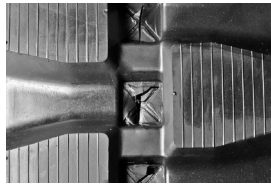

MWE rubber tracks are manufactured from only the finest materials designed to provide excellent performance under a wide range of working conditions. Tough rubber compounds with less filler help provide wear and tear resistance and a long service life. Precision forged and heat treated steel link assemblies are laminated with multiple stranded, high tensile continuous steel cords to provide excellent resistance to wear and damage.

## C-PATTERN

- Common OEM tread design
- Multiple biting edges offer excellent traction
- Perfect for muddy conditions and soft dirt
- Made with premium engineered rubber compounds
- Optimal service life in demanding environments

**Warranty: 15 Months/1,000 hrs.**

## BLOCK PATTERN

- Most common OEM tread design
- Versatile multi-purpose track
- Large lug for great traction
- Made with premium engineered rubber compounds
- Built to handle any job while providing good traction

**Warranty: 15 Months/1,000 hrs.**

## V-PATTERN

- Modeled after agricultural tracks on larger tractors
- Great traction in soft dirt applications
- Stable, comfortable ride
- Made with premium engineered rubber compounds
- Outperforms all other tracks in this price range

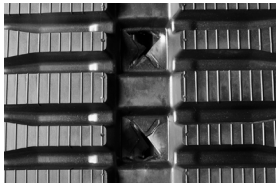

**Warranty: 15 Months/1,000 hrs.**

## BD-PATTERN

- Less soil and turf disturbance
- Low vibration, improved ride quality
- Cut resistant rubber compounds
- Bi-directional tread pattern increases traction
- Reduced ground marking and increased flotation

**Warranty: 15 Months/1,000 hrs.**

## MULTI-BAR

- Great traction and flotation
- Smoother ride, less vibration
- Made with premium engineered rubber compounds
- Less intrusive footprint when traveling across turf
- Great for snow removal

**Warranty: 15 Months/1,000 hrs.**

## XT-PATTERN

- Bar pattern with extra biting edges
- Grips better than OE tracks patterns
- Perfect for applications needing extra traction
- Made with premium engineered rubber compounds
- Optimal service life in demanding environments

**Warranty: 15 Months/1,000 hrs.**

## Z-PATTERN

- Versatile all-season traction
- Less chunking than OE tracks
- Grips better than OE track patterns
- Improved cleanout
- High-Tensile steel Cables

**Warranty: 15 Months/1,000 hrs.**

# UNDERCARRIAGE PARTS

**SPROCKETS**

**FRONT & REAR IDLERS**

**TOP & BOTTOM ROLLERS**
